IN MEMORIAM

There was only one — and will never be another — Mary Jo Langie. To say she was special would be the understatement of the day. If you ever told Mary Jo that something could not be done, “Katy-bar-the-door,” because Mary Jo would prove you wrong every time. In all honesty, we are not sure that either the Gulf Harbors Yacht Club or Our Lady Queen of Peace Catholic Church could have ever anticipated what would happen when Mary Jo came walking through the front door in 1984.

For those of us who knew her well, we knew her to be as gentle and caring as she was a force to be reckoned with. She was the first to show up when one of our GHYC family members were sick or needed support, the first to laugh with absolute delight at something funny, and the first to give to support a good cause.

It is with great love and respect that we dedicate this edition of our Membership Directory to one of our GHYC Legends and past Fleet Chaplin: Mary Jo Langie. Thank you for making our signature “Blessing of the Fleet” event truly special . . . and we want you to know, Mary Jo, your personal touches to this event live on!
BONNIE HECOCK  
January 2017

A truly active GHYC member – Scholarship Chair, Anchorette President and Vice Commodore. The Club’s Scholarship Fund was renamed in her memory.

FRANK ZICARRO  
March 2017

A 14-year member of the GHYC, a military veteran, and a dedicated “police” servant. Frank, thank you for your service.

FAITH NEWTON  
March 2017

An honorary member who joined our Club in 1992. She was always the “faithful” go between the Woodlands Association and the Yacht Club. Faith, thank you, too, for your service.

SEGUNDO "COOKIE" ARMAS  
June 2017

A fellow yacht club member with a smile that cannot be forgotten.
The Officers and Board of Directors of the Floramar Cruise Club, Inc. adopted a resolution to amend the Articles of Incorporation on March 15, 1965, changing the Club’s name to Gulf Harbors Yacht Club, Inc. The new organization received its charter on April 27, 1965 and was registered with Lloyds Registry on May 5, 1965. This Club was originally commissioned on June 19, 1965 with Harry Cadenhead serving as its first commodore.

The Club occupied a residential type building at #16 Floramar Terrace owned by the Lindrick Corp., a subsidiary of the Henry Crown & Co., Chicago, and developers of Gulf Harbors, from 1965 to 1973. Rent was $15.00 per month plus utilities. This building was demolished in 1973 to make way for construction of the Sea Castle condominiums. Club meetings were held in the auditorium of Clearwater Federal Savings & Loan Assn. for a short time. Then meetings and parties took place in the Gulf Harbors Civic Assn. Building until 1978.

In 1972, the Lindrick Corp. offered to donate a strip of land on the North Channel in the present Gulf Harbors Beach Club Estates area. This offer was withdrawn early in 1975, and on April 7, 1975, the company gave the Club a letter of intent to conclude our final location on the North Channel at the west end of Marine Parkway in the Gulf Harbors Woodlands.

At a regular meeting on May 10, 1976, the membership authorized the building committee, headed by Rear Commodore Harold R. Haney, to proceed with plans for the construction of a clubhouse on the new site. With the help of many officers and members, the building was completed and commissioned on February 12, 1978.

Activities of the Club consist of instruction in seamanship, cruises, annual Blessing of the Fleet ceremonies, parties, and planned functions for the benefit of the boating community. Many functions are sponsored by the Anchorettes, our women’s auxiliary.

The Club has an International Order of the Blue Gavel (IOBG) Chapter which was chartered on October 10, 1982. The IOBG is an international organization made up of Past Commodore’s (P/Cs) whose primary mission is to insure our Yacht Club’s customs and traditions are preserved for generations to come.

A Burgee is a pennant which identifies the Club. Our Burgee has a red symbol on a blue background. The red symbol is a Floramar (a Latin derivative of flora for flower and mar for sea). It is registered with the International Burgee Registry (www.burgees.com).
